XPRESS COLLECTION

A blurred background image of a warehouse worker in an orange safety vest pushing a yellow pallet jack. The jack is carrying a large stack of cardboard boxes. The worker is moving from right to left. The background shows more stacks of boxes and warehouse shelving, all blurred to convey a sense of motion.

Purity Xpress by Richmond Furniture was first established in 1987 and has proudly serviced the Trade Merchant sector since conception. What we are all about is simple – the provision of high quality kitchens backed by solid service foundations.

All of our Purity brand is made right here in the United Kingdom. We manufacture in our very own, highly invested facility in Hadfield, a picturesque market town in the heart of the Peak District.

LET US HELP YOU BREATHE

Whilst we understand the importance of developing a range of furniture that both looks good and performs magnificently, we also understand our clients require a service that supports our great products. With Richmond Furniture, you will benefit from:

-  A guaranteed postcode delivery day that allows you to know exactly when your kitchen will be delivered at the point you order it.
-  'Order Week 1 for delivery Week 2 service', is based on you placing your order for 2 or less kitchens before the agreed cut-off.
-  If 3 or more kitchens are ordered our 'Order Week 1 for delivery Week 3' service will apply.
-  Our kitchens are supplied fully rigid to allow you to get on with the job that bit quicker. All doors and drawers are fully assembled. Purity Xpress - the installer friendly collection.
-  Our delivery service to branch or direct to your customer, whichever suits you best. Direct to customer is kerb-side delivery only.

THE IMPORTANCE OF BUYING BRITISH

As a UK manufacturer we provide security of supply ensuring no risk of delays to your deadline schedule. In recent times we have seen the significant impact of delayed supply from Europe and beyond but no such concerns when you deal with Richmond. Importantly, we are a manufacturer and not a distributor. When you buy direct from us, you do not pay for the distributor's margin.

PARTNERSHIPS THAT WORK

We benefit from long standing relationships with all of our key material suppliers safeguarding availability and supply.

EXPERIENCE MATTERS

All of our product is FSC certified. We care for our environment and know you do too. We are ISO 14001 and ISO 9001 accredited so feel safe to put your trust in us. Our 5 year guarantee will provide you with that peace of mind that is so important in a high value quality purchase. Experience matters - so take advantage of ours!

OVER 35 YEARS OF DOING
WHAT WE SAY WE WILL

A modern kitchen and dining area. The kitchen features dark grey cabinetry, a light-colored countertop, and a backsplash with a circular pattern. The walls are covered in vertical wood slats. A dining table with a light-colored top and dark legs is set with plates and glasses, surrounded by dark chairs. A large window on the right side provides natural light.

Vicino works on the same design principals as our very successful True Handleless kitchen collection with one important difference, we use IN LINE handles on all Tall Housings.

- On the **Wall Units** we inset the bottom of the unit to allow you to open without the use of a handle.
- On the **Base Units** we utilise our attractive rail system in Silver or Anthracite allowing you to open without the use of a handle.
- On the **Tall Housing Units** we introduce our ultra-low profile In Line handles in Silver or Anthracite.

Purity by Richmond Furniture; leading the way in innovation, new ideas for a new furniture world.

- Available in all our ranges.
- A very cost effective solution for an almost handleless kitchen.
- Featuring our NEW Onyx Cabinet & Premier Plus Drawer System.
- Unlike True Handleless no need to create an additional design. Vicino works with the design already created for your kitchen with a handle.
