14 Our Services

15 Our Accreditations

Established in 1987, we at Richmond Furniture have proudly serviced the Public Sector from conception. What we are all about is simple – the provision of high quality kitchens backed by solid service foundations. Many local authorities and housing associations have benefited greatly from both our product and service over the years.

The Eighty7 brand by Richmond is a range of excellent furniture, designed to exacting standards and built to perfection right here in the United Kingdom. All goods are manufactured in our well-invested production facility in Glossop, a picturesque market town in the borough of High Peak, Derbyshire.

Experience matters, so take advantage of ours.

We know what you need; we understand the importance of developing a range of furniture that looks good and performs to a high standard. We also appreciate our clients and our clients residents require a service that supports these quality products – a service designed around the client's needs, to satisfy all of their specific performance criteria.

With Richmond Furniture, you will benefit from:

- Our dedicated Eighty7 service team to provide any support you need.
- Our remarkably short lead times for both full kitchens and replacement goods.
- Our manufacture – we manufactured to stock, ensuring that the goods are available when you need them.
- Our different delivery services, designed to suit your needs.
- Our full survey option if you require it.

THE DOOR & CABINET COLLECTIONS

18mm Egger ST10 & ST19 MFC
board edged with 0.8mm
ABS edging

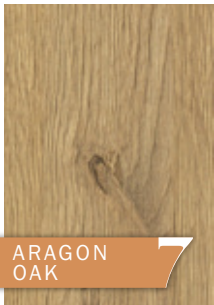

PG1 ADEN

A COLLECTION OF INTERESTING GRAINS

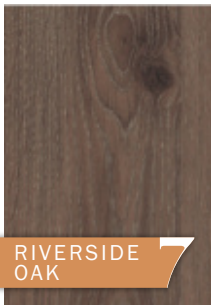

Aden is a selection of wild popular vertical wood grains that add warmth and a touch of comfort in the home. Use Aden to create a real feeling of belonging.

BARDOLINO
OAK

THE REGENCY COLLECTIONS

Our Eighty7 Collection of furniture is manufactured to stock, ensuring it is always available when you need it. The range is also covered by the Richmond Reassurance Protection Scheme, allowing us to offer significant time frame protection on future availability. We appreciate the importance of both to many of our customers.

If however, you are looking for a wider collection of kitchen furniture and worktops, then why not consider our Regency Collection with more than 100 frontals to choose from? Contact your National Sales Manager for more information, or view our latest brochures online.

THE ROPOX COLLECTION

ROPOX™
BETTER WAYS TO BETTER DAYS

Ropox kitchen solutions are flexible, accessible and user friendly. Ropox have developed solutions for the accessible kitchen that can be used by everyone. Ropox provide solutions for upper wall cabinets, kitchen worktops, and dining tables. All of these assistive technologies have been specifically developed for elderly and disabled people.

Importantly, these products are adjustable to fit each individual's needs. The user friendliness of the Ropox system makes it easy to adjust and operate. In this range, you will find both base and wall cabinets that are height adjustable (manual or electric versions available).

OUR SERVICES

BULK STOCK TO CUSTOMER STORE

We can supply bulk stock orders (flat pack or rigid) to our customers stores. All of our flat pack deliveries are palletised and our rigid deliveries are freeform as standard. Rigid is available palletised at an additional cost.

PLOT DELIVERY TO CUSTOMER STORE

If your preference is to have the kitchens delivered in individual plots, we can do this also. Individual plots will always be rigid and freeform as standard. Palletised option available at an additional cost

PLOT DELIVERY TO TENANT

In the event you are looking for a premium delivery service direct to the tenant we can do this as standard. We deliver to kerbside for you to then offload to tenants property. Palletised option is not available

SURVEY SERVICE

We provide a full survey service tailored to the specific requirements of our customer.

ACCREDITATION MATTERS

OUR ACCREDITATIONS

Our business believes accreditation matters. As a business that cares for the environment, understands the importance of sustainability and always conscious of our carbon footprint, we know the importance of being able to demonstrate this through certification.
